- 2.2 The College reserves the right to accept or reject any Applications in its absolute discretion, subject to its legal obligation not to discriminate.
- 2.3 Where the College accepts an Application, the College will issue a Conditional Offer Letter or an Unconditional Offer Letter to the Applicant.
- 2.4 Where an Applicant receives an Unconditional Offer Letter, an Acceptance Form will also accompany this.
- 2.5 In order for an Applicant to accept an Unconditional Offer, the Applicant must:
  - 2.5.1 complete and sign the Acceptance Form and return it to **admissions.UK@navitas.com**;
  - 2.5.2 if the Applicant is self-funded, pay the Deposit. The Deposit paid to the College will be deducted from any Tuition Fees that become payable;

  - 2.5.4 if the Applicant is an International Applicant, pay the Navinsure Premium or provide satisfactory (in the College's opinion) evidence that such Applicant holds an acceptable alternative insurance policy.
- 2.6 A binding contract (the "Contract") will be formed when the College has received all of the items listed in term 2.5 above. The College will promptly confirm receipt by email.
- 2.7 The Student must notify the College at the time of application of any disability, whether a mental or physical condition, that will have or is likely to have a significant adverse effect on the Student's ability to participate in a Programme, including all ancillary activities associated with the Programme, or where it is likely to mean that special arrangements will be required (for example in relation to access, accommodation, travel). In performing its obligations under the Contract, the College will comply with the Equality Act 2010 and any associated applicable laws, statutes, regulations and codes from time to time in force. In particular, the College will comply with its obligations to make reasonable adjustments to alleviate the effects of a Student's disabilities. To assist the College to make any such reasonable adjustments, the College must have full disclosure from each Student of any such disability (as described at the beginning of this clause). If the Student fails to notify the College of any such disability at the time of application and the College subsequently determines that it cannot support the Student despite its ability to make reasonable adjustments then the College may: (iii) refuse the Student's application; (iv) withdraw any offer that has been made; or (v) where an offer has been accepted, withdraw the Student from the Programme and terminate the Contract.

## 3. Cancellation

- 3.1 The Student has the legal right to change his or her mind and cancel the Contract without giving a reason within 14 days starting from the day after a binding contract has been formed under term 2.6 (the "Cancellation Period"). Subject to term 3.2 below, the College will refund any Tuition Fees paid to the College and any other fees or charges paid to the College by the Student or on the Student's behalf. Any refund payable under this term will be paid within 14 days of the Student cancelling the Contract.

- 3.3 This term provides information on how to cancel the Contract within the Cancellation Period: The Student must let the College know by a clear statement that the Student wishes to cancel the Contract. The Student may use the form at **www.lbic.navitas.com/cancellationform** to notify the College, but the Student is not obliged to do so. If the Student would like to use this form, the Student must print it, complete it as indicated and send it by post or email to the address provided on the form. The College will promptly acknowledge in writing receipt of the Student's cancellation.

## 4. Fee Status

- 4.2 If the Applicant's fee status is unclear from the information provided with his or her Application, the College will ask the Applicant to provide further information.
- 4.3 Where uncertainty remains, a final decision will be made by the Partner University.

## 5. Payment and Fees

- 5.1 A breakdown of applicable Tuition Fees and, where applicable the Navinsure Premium, is provided in the Unconditional Offer Letter.
- 5.2 Once the Applicant has accepted his or her offer in line with term 2.5 above, the amount of Tuition Fees for the first year of his or her Programme is fixed.
- 5.3 Fees for any subsequent years of study before Progression are reviewed annually and will not usually increase by more than 5% (five percent) per year. Such increases may reflect increases in the Consumer Price Index; increases resulting from changes in any applicable taxation; changes by regulatory, professional or academic bodies; and ensuring parity with Partner University tuition fees. The College will give as much notice as possible of any such Tuition Fee changes. The College has no control over or responsibility for fees payable to third parties, which may include (without limitation) accommodation fees where the accommodation is not provided by a Navitas Group Company.
- 5.4 Partner University tuition fees that apply to a Student after Progression are determined by the Partner University and published on the Partner University's website **www.brunel.ac.uk**.

- 5.5 It is the Student's responsibility to ensure that the Tuition Fees, accommodation fees and any Additional Costs are paid in full and on time.
- 5.6 If a Financial Sponsor is paying the Tuition Fees on behalf of the Student, the Student must ensure that the Financial Sponsor is made aware of these Terms and Conditions before the Student accepts an offer. The Student is responsible for payment of the Tuition Fees even if the Student has arranged for a Financial Sponsor to pay these on his or her behalf.
- 5.7 Where a Programme is longer than one Term, the College will inform the Student by no later than on the day of enrolment of each Term, of the deadlines for the Subsequent Tuition Fees to be paid.
- 5.8 If the Student is paying the Tuition Fees his or herself and if he or she fails to pay all or any part of the Tuition Fees for any reason, the College reserves the right (provided the unpaid amount is more than trivial and relates to the Tuition Fees and not accommodation costs or other non-academic costs) to take one or more of the following actions:

  - 5.8.2 withhold the Student's results and not permit the Student to graduate and/or Progress;

  - 5.8.4 take legal action against the Student to recover the Tuition Fees payable to the College, plus the College's reasonable expenses for the costs of taking such an action; and/or
  - 5.8.5 terminate the Contract immediately on written notice.Prior to taking any action listed in this term 5.8, the College will try to contact the Student to request payment and discuss how the issue may be resolved.
- 5.9 Where Subsequent Tuition Fee payments are made after the deadlines provided by the College, without the prior approval of a Director of the College, a £150 late payment fee will apply.
- 5.10 All payments shall be made by online payment, bank transfer or bank draft only. Cash payments will not be accepted.
- 5.11 All payments are subject to the following conditions:
  - 5.11.1 the payee is authorised to use the payment method used;
  - 5.11.2 a payment must be confirmed as having reached the College's bank account for it to be deemed as a payment; and
  - 5.11.3 where a card provider declines or refuses a payment or where incorrect details have been provided by the payee and a payment does not reach the College's bank account, the College has no obligation to notify the payee or the Applicant or Student (as applicable) and accepts no liability for any losses.

## Student Loans and Fee Liability

- 5.12 Where a Home/EU Applicant that has had his or her fee status assessed as Home or EU, intends to fund his or her studies through a Tuition Fee loan through either Student Finance England or Student Finance Wales, the Student must produce a correct Entitlement Letter, before completing the enrolment process. If the Entitlement Letter has not been received prior to enrolment at the College, the Student may enrol at his or her own risk and will be responsible for any Tuition Fees owed should the application for a Student Loan be unsuccessful. Applicants and Students are expected to comply with reasonable requests by the College or Partner University as to the status of his or her finance application. To be clear, if the Student enrolls at his or her own risk and is not successful in gaining a Tuition Fee loan, the Student will be liable to pay his or her Tuition Fees for the duration of his or her Programme.
- 5.13 Once enrolled, the Student must renew his or her application with Student Finance for each subsequent year of study and produce a valid Entitlement Letter supplied by Student Finance prior to the start of his or her re-enrolment with the College and/or Partner University.
- 5.14 If, after enrolling with the College and/or Partner University, the Student withdraws or is withdrawn from his or her Programme, Student Finance might not pay the Student's full Tuition Fee liability. In such circumstances the Student will be liable for the difference in payments as set out in the table in term 5.16.
- 5.15 Students should also be aware that depending on the date of his or her withdrawal, his or her maintenance payments from Student Finance may also be impacted.
- 5.16 Tuition fee liabilities for: (i) Students with Tuition Fee loans; or (ii) self-funded Home/EU Students that withdraw from a Programme under term 8.8, are set out in the following table:

Confirmed Withdrawal Date	Fee Liability	Payment Required Upon Withdrawal
Up to two weeks after the Semester commences	0%	No tuition fees due

5.19 Where an accommodation reservation deposit has been paid to the College which is then transferred to a third party (provider of actual accommodation) with the approval of the Student or parent/legal guardian, the deposit is then subject to the terms and conditions for refund of the third party and the College has no further liability or responsibility for any refund.

5.20 The College reserves the right to return to source any excess payment consisting of more than three Semesters advanced payments. Such refunds will be subject to a £150 administrative fee.

5.21 Except: (a) where a Student is funded by Student Finance, as stated in terms 5.12 to 5.16 above; (b) where a Student cancels as set out in term 3 above; or (c) where a Student withdraws in accordance with term 8.8, once a Student has enrolled for a given Semester, Tuition Fees paid for that Semester are no longer eligible for refund from the College, as the College will be unable to recoup its loss.

Re-sits and retakes will be considered in accordance with the current Immigration Rules and Policy Guidance documents located at [www.gov.uk/guidance/immigration-rules](http://www.gov.uk/guidance/immigration-rules).

## 6. The Programme of Study

- 6.1 The offer of a place to study with the College is based on the key information which can be found on the relevant page of the programmes section of the College website [www.lbic.navitas.com](http://www.lbic.navitas.com).
- 6.2 The College shall provide education services (Programme delivery, tuition, supervision and assessment), as well as ancillary services (academic/learning support and resources, careers support and pastoral support) with reasonable skill and care.
- 6.3 Subject to term 6.5, classes will normally be held Monday to Friday between the hours of 08:00 and 19:00 during the Semester.
- 6.4 Subject to term 6.5, examinations will normally be held Monday to Saturday between the hours of 08:00 and 19:00 except where scheduling requires them to be held outside these times. In which case the College will take all reasonable steps to schedule the examinations at a time and place so as to minimise any inconvenience to affected Students, notifying the Student as early as possible.
- 6.5 Class and/or examination times or locations may need to change due to unforeseen circumstances, the College will notify the Student as early as possible to inform them of the change to minimise impact.
- 6.6 Students must arrive prior to the start date stated on the Unconditional Offer Letter, and enrol on and at the time and date provided by the College.
- 6.7 Whilst the College expects all Students to arrive on time, it is understood that there can be unavoidable delays such as visa delays. Students must notify the College of their expected arrival and enrolment date as soon as they become aware that they may not arrive or enrol on the stated start date. In no instance will a Student be permitted to enrol more than 10 working days after the first day of teaching without the written permission of a Director of the College. If the Student fails to enrol on or before 10 Business Days after the first day of teaching, without written permission from a Director of the College, the College may suspend or withdraw the Student from his or her Programme (in such cases the Contract will terminate immediately on written notice to the Student and neither the Deposit nor the Subsequent Tuition Fees paid to the College will be refundable as the College will be unable to recoup its loss).
- 6.8 Where a Student is studying a pre-sessional English Programme, late arrivals must be approved in advance by a Director of the College.
- 6.9 No discount or refund of fees due to the Student's late arrival will be provided.
- 6.10 Students are required to re-enrol at the start of each Semester and will be advised upon enrolment of the subsequent Semester's enrolment deadline. If the Student fails to re-enrol prior to the deadline for that Semester without written permission from a Director of the College, the College may suspend or withdraw the Student from his or her Programme in such cases the Contract will terminate immediately on written notice to the Student and neither the Deposit nor the Subsequent Tuition Fees paid to the College will be refundable as the College will be unable to recoup its loss. Where a Director of the College permits the late re-enrolment of the Student, a £150 late enrolment fee will be charged.

6.11 The College and Partner University reserves the right to make changes to the Programme. Reasons for changes can include and are not limited to, the following reasons:

- 6.11.1 to meet the requirements of an accrediting, professional, statutory and/or regulatory body;
- 6.11.2 to reflect changes in the applicable laws and regulations;
- 6.11.3 to respond to sector good practise or quality enhancement processes;
- 6.11.4 to keep programmes contemporary by updating practices or areas of study;
- 6.11.5 Events Outside the College's Control;
- 6.11.6 non-availability of venues;
- 6.11.7 sickness or absence of tutors;
- 6.11.8 where a change to the Programme or module needs to be made where the minimum number of students needed to ensure a good educational or student support has not been met.

In making any such changes, the College or Partner University will aim to keep the changes to the minimum necessary and will usually notify and/or consult (depending on the nature of the change) with affected Students in advance about any changes that are required.

6.12 If the College or Partner University intends to withdraw a Programme or make a material change(s) to the Programme after the Student has accepted the offer, the College or Partner University will consult with the Student and take reasonable steps to obtain his or her consent and minimise the impact of any such changes. The College will inform the affected Students if the College implements the change(s) or withdraws a Programme. If the Student did not consent to the change and the College's implementation of the changes causes the Student detriment or hardship the College will, where appropriate, work with the Student to try to reduce the adverse effect on the Student and try to find an appropriate solution, for example by offering suitable alternatives which may include transfer to a similar programme within the College, deferred enrolment to a later Semester, transfer to another Navitas Group Company College. Some examples of a material change include:

- 6.12.1 a change of award or programme title;
- 6.12.2 a change to the availability of or discontinuance of a core module; or
- 6.12.3 a change to the overall type of assessment for the Programme, for example by exams, coursework or practical assessment (or combination of these).

6.13 If any change the College makes pursuant to term 6.11 and/or term 6.12 above materially affects the Student, to the Student's detriment, the Student may withdraw from the Programme and terminate the Contract immediately by written notice and, unless the change is due to Events Outside the College's Control (in which case term 10.2 shall apply), the College will reimburse the Student for any reasonable costs incurred by the Student in relation to the Programme, such as visa fees and travel costs directly relating to the Programme, and:

- 6.13.1 if the Student withdraws prior to the Programme start date, the College will provide a full refund of the Tuition Fees paid to the College and any Additional Fees paid to the College; or
- 6.13.2 if the Student withdraws on or after the Programme start date, the College will provide the Student with an appropriate refund taking into consideration the proportion of the Programme completed and the costs of accommodation provided to the Student at the time of termination of the Contract.

6.14 The Student does not have the automatic right to change his or her Programme once he or she has accepted his or her offer (in accordance with term 2.5), however where possible, the College will aim to facilitate the Student's request. If the Student wishes to make a change to the Programme, the Student must contact the College at the earliest opportunity. The Student will be informed whether the change will be possible and any additional fees this might incur.

6.15 Failure to meet the stated progression criteria, detailed in term 6.16 below, of a stage of study within the set time frames and according to the requirements of the Programme, as well as the current requirements of the Immigration Rules for International Students located at [www.gov.uk/guidance/immigration-rules](http://www.gov.uk/guidance/immigration-rules), may result in the Student being unable to complete his or her Programme.

6.16 The progression criteria are:

- 6.16.1 to meet all pass criteria for each module/stage as required by individual Programme requirements;
- 6.16.2 to attend all classes, examinations and meetings in line with the Attendance and Monitoring policy of the College [www.lbic.navitas.com/policies](http://www.lbic.navitas.com/policies);
- 6.16.3 achieve the specified English Language standard, where applicable, required by both the College and the Partner University, and where applicable, pay any costs associated with any English Language assessment; and
- 6.16.4 continue to have the Right to Study according to the Immigration Rules, where applicable.

6.17 The College reserves the right to terminate the Contract prior to enrolment where either (a) the Applicant/Student requires a CAS and the College believes that the issuance of a CAS would breach the relevant Immigration Rules; (b) the College believes that the Applicant/Student's visa application will be unsuccessful; or (c) the College believes that the performance of the Contract would bring the College or Partner University in to disrepute. In such cases the College will provide a refund of Tuition Fees paid to the College and Other Fees Paid less: (i) any costs incurred by the College; and (ii) the administration charge of £150 (set out in term 8.3).

6.18 The College may revise and amend these Terms and Conditions from time to time and will give the Student prior notice of any such changes. In the unlikely event that any amendment substantially changes the Contract, the Student may choose to withdraw from his or her Programme and terminate the Contract by written notice and the College will provide the Student with an appropriate refund taking into consideration the proportion of the Programme completed at the time of termination of the Contract.

## 7. Deferral

7.1 Requests for the deferral of either a Conditional or Unconditional Offer prior to enrolment are considered on a discretionary basis and deferrals can only be requested twice before the offer is withdrawn and a new Application must be made. Where a CAS has been assigned by the College/Partner University to the Student and he or she has gained a student visa on this basis, deferrals will only be approved where the Student can provide binding evidence that:

- 7.1.1 the Student is not in the UK; and
- 7.1.2 the request/reason for deferral is fully supported by documentary evidence.

7.2 If the deferral request is as a result of the Student receiving a visa refusal, the deferral will be subject to the approval of a Director of the College.

7.3 Requests for the deferral of studies after enrolment are considered on a discretionary basis and must be made in line with the [www.lbic.navitas.com/policies](http://www.lbic.navitas.com/policies).

## 8. Refunds

8.1 Anti-money laundering rules in the UK require that any payment made to and confirmed as received by the College will only ever be refunded to the person who made the original payment in the source country from where the payment originated, except;

8.1.1 where the refund amount is up to a maximum of £250. In which instance, the payment may be paid in to the Student's UK bank account where they are an enrolled Student at the College; or

8.1.2 where the Student has provided evidence of an offer from another UK institution. In which instance, the payment may be made to that institution.

8.2.1 at any time during his or her studies with the College or with the Partner University provided to the College or the Partner University fraudulent, untrue or misleading information and/or documents;

(a) if the College withdraws the Student four weeks or more prior to the enrolment date, the College will provide a refund of the Tuition Fees paid to the College and Other Fees Paid less: (i) the Deposit; (ii) the administrative charge of £150 for dealing with the refund; and (iii) all reasonable costs incurred by the College in investigating and dealing with the circumstance that led to the withdrawal and termination.

(b) if the College withdraws the Student less than four weeks prior to the enrolment date or any time after the enrolment date, neither the Deposit nor the Subsequent Tuition Fees will be refundable as the College will be unable to recoup its loss.

8.3 After the Cancellation Period, if a Student notifies the College that he or she wishes to withdraw from the Programme (a) prior to enrolment (in the case of Home or EU Students, or those not requiring a CAS) or (b) prior to receiving a Provisional CAS Statement or CAS (in the case of International Students), he or she will be entitled to a refund of Tuition Fees paid to the College and Other Fees Paid less the administrative charge of £150.

8.4 All refunds of payments made pertaining to the Programme and confirmed as received by the College, will only be made to the person making the original payment in source country of the payment.

8.5 Where a CAS number has been applied for or a CAS Statement issued by College/Partner University on behalf of a Student and the Student fails to gain a student visa; then, if the Cancellation Period has ended, a refund of Tuition Fees paid to the College and Other Fees Paid, will only be applied where:

8.5.1 the Student has provided a copy of the refusal or rejection letter received from UK Visas and Immigration and evidence that the visa application was made within time and valid application conditions; and

8.5.2 information submitted by the Student or agent is not suspected of being fraudulent or deemed as purposefully misleading (in which case term 8.2.3 will apply). The refund of payments made pertaining to the Programme and confirmed as received by the College, will be subject to a £150 administrative charge.

8.6 Where the Cancellation Period has ended and:

8.6.1 a CAS number has been assigned by the College/Partner University to a Student and the Student has gained a student visa on this basis; and

8.6.2 the Student fails to enrol or re-enrol, or transfers to another establishment within the UK; the Student is not entitled to a refund of any Tuition Fees paid to the College or Other Fees Paid, unless the Student notifies the College at least four weeks before the enrolment date that he or she will not be enrolling at the College. In such cases the College will provide a refund of Tuition Fees paid to the College and Other Fees Paid less: (i) the Deposit; and [(ii) the administration charge of £150 (set out in term 8.3).

8.7 Where the Cancellation Period has ended and:

8.7.1 a CAS number has been applied for or a CAS Statement assigned by College/Partner University to a Student and he/she has gained a student visa on this basis; and

8.7.2 such Student has enrolled but is no longer undertaking study with the College and this is an approved withdrawal from the Programme by a Director of the College; a refund of any Tuition Fees for future Semesters of the Programme paid to the College or Other Fees Paid for future Semesters can only be applied where a Student has provided satisfactory evidence that:

(i) the Student is no longer in the UK and his or her student visa has been cancelled; or

(ii) the Student has successfully gained a place at another UK institution; and

(iii) the Student attended 85% of timetabled classes, submitted all required assignments and was present at all scheduled examinations in accordance with College Academic Policies and Regulations located at [www.lbic.navitas.com/policies](http://www.lbic.navitas.com/policies).

If the request for refund is approved on the above noted conditions then it will be subject to a £150 administration charge. Tuition Fees for the Semester in which the Student withdraws cannot be refunded as the College will be unable to recoup its loss.

8.8 For Home or EU Students: where the Cancellation Period has ended and:

8.8.1 the Student has enrolled on the Programme but is no longer undertaking study with the College; and

8.8.2 this is an approved withdrawal from the Programme by a Director of the College, any fee liability will be in line with the table at term

5.15 and the College will refund to the Student any self-funded amounts paid to the College in excess of this fee liability, less any other fees outstanding to the College or Partner University, and the administrative charge of £150.

8.9 Where a Student has enrolled on the Programme but is no longer undertaking study with the College, and where attempts to formalise the Student's withdrawal have been unsuccessful, this is an unapproved cessation of studies. If the Cancellation Period has ended, then the Student will not be entitled to any refund as the College will be unable to recoup its loss.

## 9. Liability

9.1 Nothing in this Agreement shall exclude or limit in any way the College's liability:

9.1.1 for death or personal injury caused by the College's negligence;

9.1.2 for fraud or fraudulent misrepresentation; or

9.1.3 which cannot be excluded or limited under the laws relating to discrimination, occupier's liability or health and safety.

9.2 Subject to terms 9.1, if the College fails to comply with the terms of the Contract:

9.2.1 the College's total liability for loss or damage the Student suffered as a foreseeable result of the College's failure to provide the Programme, either at all or to a reasonable standard or in accordance with any pre-contract information provided to the Student/Applicant, shall not exceed the total Tuition Fees payable to the College and any reasonable costs already incurred by the Student in relation to the Programme, such as visa fees, accommodation costs and travel costs directly relating to the programme; and

9.2.2 the College shall not be liable for any loss or damage that is not foreseeable.

Loss or damage is foreseeable if it is obvious that it will happen or if, at the time the Contract between the College and the Student was made, both the Student and the College knew it might happen.

9.3 Where the Student is an International Student and the College or Partner University loses its ability to sponsor International Students (or has its Tier 4 licence restricted or downgraded or its CAS allocation reduced, meaning the College cannot provide its tuition services to International Students), the College's liability to such Student shall be limited to refunding all Tuition Fees paid to the College for the academic year in which the College loses its sponsor licence and any reasonable costs already incurred by the Student in relation to the Programme for that academic year, such as visa fees, accommodation costs and travel costs directly relating to the Programme.

9.4 The College accepts no responsibility for any miscommunication that may arise where the Student/Applicant (as applicable) has provided incorrect or out of date contact details or has not kept his or her contact details up to date. It is the Student/Applicant's (or parent/guardian's if the Student/Applicant is under 18 years of age) responsibility, to provide and confirm, when asked to do so, correct contact details (and to keep those contact details up to date) for communication purposes. The College reserves the right to correct any such details or omissions.

## 10. Events Outside College Control

10.1 The College will not be liable or responsible for any failure to perform, or delay in performing, any of the College's obligations under the Contract caused by an event outside the College's reasonable control ("Event Outside the College's Control"), including: (i) terrorist attacks or security threats; (ii) industrial action by College staff or third parties; (iii) damage or interruption to buildings, facilities, or equipment; (iv) fire or flood; (v) severe weather conditions; (vi) civil disorder; (vii) changes in applicable laws, regulations, actions or delays by any government authority; or [(viii) refusals by any such authority to grant any necessary licence.

10.2 The College's obligations under the Contract will be suspended for the period that the Event Outside the College's Control continues, and the time to perform these obligations shall be extended for the duration of that period. The College will take reasonable steps to find a solution by which the College's obligations under the Contract can be performed despite the Event Outside the College's Control. If the period of delay or non-performance continues for four weeks, either the Student or the College may terminate the Contract immediately by giving written notice to the other party, without liability.

## 11. Withdrawal by the College

11.1 The College may withdraw the Student from the Programme and terminate the Contract immediately by notice in writing if:

11.1.1 the College or the Partner University decide that the Student may not continue as a Student due to a breach of the Student Code of Conduct and/or Student Handbook.

11.1.2 the Student fails to meet the progression criteria detailed in term 6.16.

11.1.3 the Student's behaviour represents a serious risk to the safety, health and/or welfare of him or herself or others; or

11.1.4 the Student commits a material breach of the terms of the Contract, where such breach is irremediable or (if such breach is remediable) the Student fails to remedy that breach within a period of 30 days after being notified in writing to do so. In such cases the College will provide a refund of Tuition Fees paid to the College for future Terms, and Other Fees Paid less the administration charge of £150 (set out in term 8.3) and any costs incurred by the College.

## 12. Intellectual Property

12.1 The copyright, design right and all other intellectual property rights in any Programme materials and other documents or items that the College prepares or provides in connection with any programme taught by the College or the Partner University will belong to the College or the Partner University, or our licensors, absolutely.

12.2 The Student may not use the materials, documents or other items detailed in term 12.1 for any commercial purpose.

- 14.2 If the College does not insist immediately that the Student do anything he or she is required to do under the terms of the Contract, or if the College delays in taking steps against the Student in respect of the Student breaking the Contract, that will not mean that the Student does not have to do those things and it will not prevent the College taking steps against the Student at a later date.
- 14.3 A person who is not party to the Contract (including any person who is responsible in whole or part for the Student's Tuition Fees) shall not have any rights under or in connection with it.
- 14.4 Subject to terms 6.16, 6.5, 6.11 or 6.12, no variation of the Contract shall be effective unless it is in writing and signed by the Student and the College.
