Brunel University London's on-campus pathway provider provides a pre-masters in Business for students who may not qualify for direct entry to a degree programme and seek a supportive learning environment.

Careers and your future

Through our links with key players in a wide variety of sectors, from tech to banking and advertising to accounting, we help you secure work placements that give you a clear advantage as a graduate.

You'll have the opportunity to build the skills employers are looking for through support of our Professional Development Centre (PDC), dedicated work placements on your course and events and workshops from our very own Business Life programme.

Study Business at Brunel University London

We are an award-winning, accredited business school offering a range of degrees, many with professional accreditation.

Our accredited programmes offer reassurance that course content has been reviewed by official professional bodies making it relevant and useful for today's workplace. Accreditations by professional organisations indicate the quality of our degrees and typically offer you a variety of benefits during and after your Brunel University London degree. We're also one of the 5% of business schools worldwide to hold AACSB accreditation.

You'll enter a truly international and diverse learning environment that nurtures future leaders in innovation and excellence. We believe that learning can only be enhanced by research so our teaching staff are leaders in their fields, bringing their unique and progressive views to lectures and seminars that inspire and disrupt. From experts in corporate social responsibility to leading minds in international business and entrepreneurship, their insight impacts your course content across a wide range of postgraduate courses, as well as the Brunel MBA.
